

ALBERNI DISTRICT TEACHERS' UNION

Grievance Settlement- Grievance 06-391 and 06-395 (Article D.26 Health and Safety)

The following settlement is in place when classroom conditions such as temperature, cleanliness, and sound level are not maintained as outlined in School District 70 (Alberni) Administrative Procedures 7200 as outlined here:

<http://www.sd70.bc.ca/Policies/AP%207200%20Health%20and%20Safety.pdf>

In the event of an ADTU member reporting a deviation of the standards outlined in School District 70 Policy 2701 (AP 7200), and who wish to stay in their classroom, the Board will:

- a. Make available all temporary interventions in an attempt to correct the deviation.
- b. If Maintenance Staff are unable to correct the deviation within 24 hours of school administration being notified, they will provide a report to school administration outlining the problem and timeline for correction. School administration will then notify the ADTU member.
- c. The ADTU member will continue to have their right to request a replacement worksite if the standards outlined in School District Policy 2701 (AP 7200) are not met.
